Children's Worship This month our Bible stories continue to focus on the life and ministry of Jesus and his disciples. We are learning about their travels, the healing stories, other miracles and important lessons Christ taught his followers. Our worship time includes biblical stories, prayers, and creative response activities that help children begin to understand scripture and experience God's presence. Following the children's sermon each week, children (ages 3 years through grade 2) gather in room 10 for this developmentally appropriate worship time.
