!! CLOCKS CONVERT TO DAYLIGHT SAVINGS TIME ON NOVEMBER 4, 2018. ** Please add these dates to your calendar. It is important to have someone in the nursery at all times on Sunday mornings. If these dates don't work for you, please call and switch with someone or call a Sub to cover your shift. If you are sick the morning of your scheduled shift, please call the church or myself (Cell 701-212-3789) and we will find someone to cover your shift. Please keep the smaller toy (ie Legos) out of the infants/toddlers reach. They tend to migrate into the nursery from the adjoining Sunday School room. Please wash and disinfect any items that go in the mouths of babes. If there are any supplies we are short on or items that need repair let me know. Thanks for your gift of time and talents! Kathy McKaig
